Sir,

In submitting for sanction a statement for the alienation of 5 acres in Survey No. 152, acres 21-7. assessment Rupees 7 of the village of Kámur (part of Shikaripúr) on account of the burial place of the Kurubars of the town, I have the honor to state that the dead of this community used formerly to be buried in Survey No. 5, but it was prevented as the place is very close to the town - The fort was then resorted to, but as it contains two wells and a European cemetery, the use of it was refused to the Kurubars -

2 The portion of Survey No 152 now selected is very well suited as a burial ground, and is sufficiently far from the town - I have seen it. It is in the occupancy of one Ranga, who is willing to part with the portion required, gratis, provided the proportionate assessment, viz. Rs. 1-8-0 is remitted - The Kurbar community are prepared to pay this sum every year, but

purpose, and as from personal inspection I am unable to find any unassessed land suitable for the purpose, I beg to recommend that the proportionate assessment may be remitted, and the grant of the spot sanctioned -

I have the honor &c.

The refund bill for Rs. ~~10—4—1~~ 5—6—0 as corrected in this office is sanctioned & passed on to the Comptr for audit, with the observation that it is inconvenient to deal with bills of this kind under notice, in which several claims have been included & that it is desirable that for each claim for refund, a separate bill should be submitted.

A separate Bill for the sum of Rs 6—4—1 now disallowed should be submitted showing in detail, the amount due by each Ryot, the amount collected and the amount proposed to be refunded, with a report as to when the excess recovery were discovered and why there has been a delay of more than 13 years in submitting the present claim. The Vernacular records connected with the subject should also be submitted.

2. It is ~~pointed out to the~~ observed by Comptr that the explanation for the delay in submitting the bill in question should have been furnished in the letter ~~read above~~ referring this Court to the Despatch Letter instead of ~~the letter~~ No 1132/842 of 4th March which relates to an altogether different subject —

Sir,

With reference to Government order No 10864-5/H 778 of the 13th June 1896 requesting the submission with certain particulars of a separate Refund bill for Rs 6-4-1 therein referred to, that being the amount recovered in excess of the kandayam due from certain ryots in the Shikarpur Taluk, I beg to submit herewith 22 Refund bills (as per order calling for separate bills for each individual claim) together with the necessary particulars called for. The excess recovery was discovered since the year 1882-83 as will be seen from the petitions claiming the refund filed with the vernacular records herewith submitted. The delay in submitting the bill was owing to the subject of the refund being under correspondence between the District office and the Taluk, and also between the District Treasury office and the Taluk as regards the verification of the excess recoveries on reference to the cash accounts.
